CITY OFFICIAL IS TO RETIRE

CHANGE IN THE OFFICE OF BUILDING INSPECTOR.

T. B. Jackson, Who Was Appointed by Mayor Moir to Succeed John Nelson, Will Be in Turn Succeeded by F. L. Brown, with Mr. Nelson as His Assistant-Re-organization of the Building Inspection Department Has Been Deemed a Necessity Because One Man Cannot Do the Work.

Building Inspector Thomas B. Jackson is to resign to re-enter the business of contractor and builder. He will be succeeded, it is said, by Architect F. L. Brown, and Mr. Brown will have as an assistant the former

building inspector, John Nelson. In the opinion of the present city administration, reached at the recent conference of Recorder Connell and the heads of departments, the department of building inspector should have

Its work broadened. With one man doing the work, it is well nigh impossible, if not utterly so, to make the office much more than an agency for collecting the incidental

The duty of the building inspector is to pass upon the plans for every building before its construction is begun, and, after the plans are approved, to supervise the construction, to such an extent, at least, that there will be no deviations from the plans that will violate any of the city building laws.

By having a chief inspector and an assistant, it is figured, the work that should be done by the department can be done thoroughly. One can do the office work and the other supervise the active work of construction, or make such other division of the labors as will be the most convenient.

Mr. Jackson, the retiring inspector was appointed early in Mayor Moir's term to succeed John Nelson, who was Scranton's first and only building inspector up to that time. Before be coming inspector, Mr. Jackson was common councilman from the Thirteenth ward.

WAS SEVERELY BRUISED.

Unknown Lad Struck by Delaware and Hudson Train.

An unknown boy was struck by train No. 8 on the Delaware and Hudson railroad Saturday morning, but fortunately escaped serious injury. The accident coursed near the Linden street bridge. The boy was coming from Robinson's brewery, a pail of yeast in his hand, when he heard the train's

He stepped from the track to the retaining wall, but bent forward and was struck by the train. He was taken to the Delaware and Hudson station and the Lackawanna hospital notified. His injuries consisted of several severe bruises, but he refused to await the

Busy Session of Central Labor Union Yesterday Afternoon.

The excursion of the Central Labor union to Lake Lodore on Labor day, Sept. 2, was a subject of lively interest at the meeting of that body yesterday, the committee reporting very satisfactory progress.

The Glee club contest for the \$16 prize is arousing much interest and affairs in connection with the excursion are growing; so it was decided to increase the committee by six or more members that the crowd that is expected and the entire affair may b properly cared for. It was expected the committee on revision of the constitution would report a draft but they found they would not be able to do so at this meeting as they have some very important changes in view, one of which is to check the placing of

boycotts. The matter of classifying the Central Labor union into various groups or councils whose members are engaged in similar work, is also being considered by the committee, It is hoped by so doing to greatly facilitate business.

Clubs from Edwardsville, Plymouth, Wilkes-Barre, West Scranton, Taylor and North Scranton have all entered the glee club contest and several more are expected to take part in it. The committee in charge of the

American Federation of Labor convention, which is to be held here from Dec. 5 to Dec. 17, also made its report yesterday. President Samuel Compers and Secretary-Treasurer Frank Morrison are expected here within the next two weeks to select a ball, in which the convention shall be held. Fully one thousand delegates are expected to be in attendance. A committee consisting of George

Gothler and J. F. Hammes is en gaged in getting out the convention souvenirs which is a very handsom of work, being in the form of a booklet containing a brief history of the city, from an industrial and labor standpoint, and is finely illus-

J. M. DEWEY TO LEAVE CITY. Well Known Book Dealer to Go to New York.

James Murray Dewey, who has been engaged in the book business in this ity for over six years past, leaves this week to take up his residence in New York city, where he has accepted the position of manager of the subscription department of the wellknown publishing house of G. B. Putnam's Sons.

During Mr. Dewey's residence here, ne furnished many libraries and numbered among his customers the book onnieseurs of this part of the state. He dealt almost exclusively in expensive books and rare editions. He will continue his business relations with his local customers after his removal to New York.

REV. NICHOLS' ABLE SERMON.

He Spoke at Second Presbyterian Church Last Night.

Rev. Robert Nichols, the son of Rev. Dr. G. Parsons Nichols, of Binghamton, last night delivered an interesting ermon at the Second Presbyterian of Scripture telling of the act of Christ in washing the feet of his disciples. Greatness achieved through selfforgetful service was the aim to which should strive. Dr. Nichols de clared and held up as an edifying spectacle the picture of the Savior performing an apparently menial act out of pure kindness and nobility of soul, and to teach a lesson of humbleness.

RUSTY NAIL CAUSED DEATH.

Five Year Old Dunmore Boy Is the Unfortunate Victim.

James O'Boyle, the 5-year-old son of M. J. O'Boyle, of Dunmore, died Saturday morning from blood poisoning. Ten days ago, while playing about his home, the boy stepped on a rusty nail. The rail was removed from his foot, but alr at a week later blood olsoning set in. The funeral will be held today.

HOSPITAL HAPPENINGS.

John Pasqua, an Italian laborer employed at the stone querry near Nay Aug park, was seriously injured Saturday while at work. A falling derrick struck him heavily upon the head and bruised him painfully. It is also thought that he ustained a fracture of the skull. He was taken the Lockawanna hospital.

DISCUSSED THEIR EXCURSION. PREACHING BY DR. PARTRIDGE

PENN AVENUE BAPTISTS HEAR FORMER PASTOR.

Noted Divine Once Numbered Among Scranton's Foremost Churchmen Returns to Address His Old Congregation-Eloquent Evening Discourse on the Mission of John the Baptist-Christ, He Says, Was a Other Like Sages.

Rev. Dr. Warren G. Partridge, formerly pastor of the Penn Avenue Baptist church, but now pastor of a large institutional church in Cincinnati, preached two sermons to the members of his old congregation yesterday, in the absence of the regular pastor Rev. Dr. Robert F. Y. Pierce, who is

sojourning at Ocean Grove. The church was thronged to the doors at both services with old friends of Dr. Partridge, glad to welcome him back to the church where he labored in other days. He expressed, on both occasions, his great delight at being back once more at the scene of his former labors, and spoke with much feeling of the wonderful Christian fellowship existing between the various denominations in this city. His evenng sermon was based on the following text taken from John 1: 6, 7, 8, 9, "There was a man sent from God

whose name was John. The same came for a witness, to bear witness of the Light, that all men through him might believe. He was not that Light, but was sent to bear witness of that That was the true Light, Light. which lighteth every man that cometh into the world."

In beginning his sermon, Dr. Partridge told how John the Baptist was sent by God to bear witness to Christ and described the scenes on the banks of the Jordan when his preaching was listened to by tens of thousands. He referred to John as "the incarnation of heroism and sincerity."

WITNESS OF THE LIGHT.

"John's first and greatest function, said he "was to be a witness of the Light to come. There are many reasons why the Savior needed a witnes then and why he needs witnesses today. In the first place, it must be remembered that the Messiah came incognito. As the Gospel says, 'the word was made flesh and dwelt among men.' Christ's divinity was veiled by His humanity and John was raised as a witness to the truth that this Man was God.

"The people of that time, though they had been prepared for centuries for the coming of the Messiah, needed a witness, because their eyes were blinded with sin and they were accordingly unable to perceive the pres-

ence of a Delty swathed in humanity. "I read recently of a physician in Vienna who by constant experiment and great patience succeeded in restoring the sight to the eyes of a child who was born blind. The eye of the hurch, taking as his text that portion | child was a perfect organism, the blindness existing only in the brain. The physician placed it in a dark room and by keeping circles of light revolving before its eyes for weeks and weeks, finally succeeded in getting to distinguish light from darkness. The rest was comparatively easy.

"The work of this physician should be the work of every preacher, every professor and every parent. They should be patient with the little children. They should try by every means in their power to lead the great hosts of young people out of the blindness of sin into the light of the gospel, There are such hidden capabilities and such latent talents to be found among should all be led to do service for the Master

TRACEABLE TO CHRIST. "Jesus Christ is the light that has lighted every man who has come into the world. The Scriptures tell us that He was the light of Adam and of Eve, of Moses, of the prophets and of the psalmist. . . His influence may be traced in the writings of some of the great leaders of other faiths, such as Confucius and Zoroaster. In the writing of these sages we find a great deal of wheat amongst the chaff. We find a deal of ethical truth, and I believe firmly, that it can be traced to the influence of Christ.

"Are we who have received the light giving it out in all its fullness, beauty and power? Are we disseminating it as we should? Let us be more and more missionary churches. Let us receive the Light of the World into our souls and let us go and preach the gospel to every living creature."

RELIGIOUS NEWS NOTES.

The afternoon meeting at the Railroad Young Men's Christian association rooms vesterday was addressed by W. A. Burton, the assistant secre-

The morning service at the Green Ridge Baptist church yesterday was rargely attended and was conducted by Rev. George W. Stone, of Waseca, Minn. Rev. O. R. Beardsley, of Sherman, N. V.,

preached yesterday morning at All Souls' Universalist church, of which he was paster up to a few months ago, At the Howard Place Methodist Episcopal church last night Campbell Hughes gave a report upon the work done at the recent Pan-

council held in Philadelphia. Rev. A. V. Bower occupied the pulpit yesterday morning at the Washburn Street Presbyterian day morning at the Mandouris Sreet Prestylerian church. It is announced that there will be no service at this church on Sunday, Aug. 31. "Creation's Prayer" was the topic of a ser-mon preached last night by Rev. Marion L. Firor, pastor of the Calvary Reformed church.

In the morning he spoke told of the ne of every Christian being "ready" for the final

SHOT TWO MATCHES.

Rifle Team from Company D Defeated by Ninth Regiment Marksmen-Match for Stillwell Cup.

Company M. of the Ninth regiment, and a team picked from CompanyA, of the Thirteenth, met Saturday afternoon at the Dickson City range, and after a spirited rifle match, the Wilkes-Barreans won by a store of 225 Charles H. Foreback, painter, Scranton.

The M team was in charge of Captain Frement Stokes, formerly of Co.
F of the Thirteenth, and consisted of himself. Sergeant Watkins, Sergeant Blank and Private Burns. Captain

Themas Cummings, miner. Scranton. tain Frement Stokes, formerly of Co. George Russ led the Company A men, and the others on the team were Sergeant Brink, Corporal Coffin and Sergeant Waite. After the shooting, the local soldiers dined the visitors at Lohmann's.

A revolver match was to have been shot Saturday at Pittston, for the Stillwell trophy. This is yearly contested for by teams from each battalion, and Saturday the Pirst and Third battalions were to have shot for it.

The First, however, failed to present team, which gave the victory to the Third by default. The men of the latter shot, neverthless, and did splendid work. Major Frank Robling, the battallon commander: Captain Merriman, of Company F; Captain Raub, of Company L; Lieutenants Henshaw and Breig, of Company F, and Lieutenant Davis, of Company L, made up the team. Their scores were as follows: Robling-Slow fire, 68; rapid fire, 72.

Henshaw-Slow fire, 75; rapid fire,72. Merriman-Slow fire, 68; rapid fire,

Brieg-Slow fire, 72; rapid fire, 64. Davis-Slow fire, 68; rapid fire, 54.

CITY HALL JOTTINGS.

Recorder Connell approved on Saturday the esolution providing for the ratification of the dutracts entered into with the La France Engine ompany and the American Fire Engine comoving the city from much litigation. Director of Public Safety Wormser issued an order on Saturday appointing Isaac Tice, of the Crystal Engine company, as acting chief of the fire department during the absence of Chief izelmann, who has been granted an eight-day vacation.

FIRE DEPARTMENT.

Director of Public Safety F. L. Wormser has devised a form of appliation blank to be filled out by all perons desiring appointments to positions in the bureau of fire. These blanks contain spaces for the applicant's name, address, age, fire experience, etc. and must be indorsed by Chief Zizleman. There are several dozen of these the young people of this land that they applications now on file with the diector for the places made vacant by the resignations of Permanent Men Martin and Beemer, but the director is W. S. Boyd, manager, Scranton biding his time and has not yet named | John B. Fish, superintendent, Stranton their successors. He will probably make the appointments this week, how-

ever. The action of select council on Thursday night in passing the resolution providing for a ratification of the contracts for the new steam fire engine and hook and ladder trucks removes the last obstacle to the acquirement by the city of these much needed additions to its fire fighting force. Recorder Connell will undoubtedly sign the resolution as it was introduced at his suggestion and before next week is M. P. Ackerly, farmer, Scott over the new hook and ladder truck M. Beland, millhand, will be put into commission, as they say of a new ship. It will be placed in the hook and ladder house on West Lackawanna avenue, while the old truck will be cut down and taken to James G. Brady, watchman, Scranton some other part of the city, probably Lewis B. Carter, atterney, Scramon. North Scranton.

Director of Public Works Roche has lecided to have a map repared showing 0 the location of every fire hydrant in the city in addition to the map showing the location of the electric lights John Devine, gateman, Nay Aug. throughout the city. With this end in T. J. Luce, insurance agent, S. view employes from the departments John M. Fowler, cashier, agent. of public works and of public safety will this week begin the work of counting all the fire hydrants and of making memorandum of their location. When Frank McCawley, clerk, Scranton. this has been completed, a map will be Archie Martin, miner, Jermyn. prepared in the city engineer's office which will show at a glance the location of every hydrant in the city.

The fact that the volunteer fire companies of this city no longer do any acive fire fighting, having been succeeded by paid men, does not at all inter-fere with their standing in the state firemen's organization. Nearly every ompany has already elected delegates o the coming state convention to be John Van Brunt, hestler, Moscow, held in Philadelphia in October. The Edward Mollen, driller, bickson City. Firemen's Relief association will also F. E. Blickens, undertaker, Dunmore, by represented by the represented by the control of the control o he represented by two delegates. A large number of local firemen are Charles Homewager, clerk, Syanto planning to attend the convention as T. W. Hines, clerk, Scranton disinterested spectators, as it is not G. W. Shultz, jr., gent.

The fire alarm boxes were again H. F. Wardell, merchant, Moscow, tested during the past week by an Ror electrician from the Gamewell Fire R. J. Fester, instructor, Scranton. Alarm Telegraph company and were found to be in splendid condition. This expert, after careful calculation, anounced that there are no less than eighty miles of wire comprised in the Thorough instruction Low tuition rates Graduates secure best resitions. Some are now drawing solaries of \$1,500, \$1,500 and \$1,500. Many in five and six months qualify themselves to fill positions which pay \$50 and \$60 per month at the start. The attention of AMBITOUS young people is solicited. Positions furnished. Write or call for circulats. fire alarm system of this city. This is

OBITUARY.

MRS. CHARLES B. ELSTON died suddenly after a few hours illness at her home on Fifth street yesterday about 1 o'clock. For several years she has been in delicate health, suffering severely at one time from heart trouble. When her husband reached home on Saturday night the complained of not feeling as well as usual but it was thought to be one of her usual spells, and on Sunday morning she was apparently much improved. About half past eleven she complained of feeling much worse and her condition was such that her family became alarmed and a physician was hartily summoned, but before hi arrival she had passed away. Coroner Roberts was notified and viewed the remains, but decided an inquest was not necessary. At the time of her sad taking off Mrs. Elsten was only 30 years of age. She is survived by her husband and two children. Frank and Jeanette. The stricken family is the recipient of much sympathy from numerous friends in their sad bereavement. The funeral will occur on Wednesday morning from her late home and interment will be made in

MRS. EMMA POTTER reliet of the late Chester Potter, died at her home on Blakely street yea-terday morning after an illness of several years. during which time she was a sufferer from can-cer. She was a resident of Dunmere during the past fifty cears. At the time of her death her age was 70 years. During many years of her life here she conducted a private school and many of the middle-aged people in the borough today were numbered among her pupils. She is servived by the following prothers and sisters: Mrs. Jerry Hall, of Wavenly: John Shippie, North Carolina: Charles Shippie, Wilkes-Barre: Mes. Sarah Mattox, Jamestown, N. V.: James Ship-pie, Seranton: also by her adopted son, Clayton, and grandchild, Crystal Dalcymple. The fune ral will occur Tuesday afternoon from her late ome at 3 o'clock. Interment will be made in

Dunmore cometery MRS. L. E. FRANCOIS, of 217 Madison avenue as found dead in her hed vesterday morning r her husband, a former councilman from the Seventeenth ward. Mrs. Francois had been ailing for the last two years, and it is thought that heart failure caused her death early yesterday morning. Deceased was 41 years of age and lived in this city for the last twenty-seven years. She was formerly Miss Ella A. Shultz, of Wysex, Bradford county. When she refired to rest Sat urday night she was feeling comparatively well but on Tuesday and Wednesday she sustained severe attacks. She is survived by her husband, her mother, Mrs. Elizabeth Vail, of this city; Mrs. M. D. Farmun, of Green Ridge, and her brother, W. H. Shultz, of Denver, Col. The funeral will take place at 2 o'clock Wednesday afternoon, with interment in the Dunmore come

MICHAEL FLYNN, aged 26 years, son of Mrs. Michael Flynn, of 400 Ninth street, died Saturday evening. Deceased was a well known young man and was employed as a book-keeper at the International Correspondence Schools. He is surrived by his mother and sister, Miss Mary Flynn, a teacher in No. 19 select. The funeral will take place at 9.30 o'clock tomorrow morning. with services In St. Patrick's Catholic churci interment will be made in the Cathedral come

T. C. DOLPHIN, formerly of this city, where he was engaged in the plumbing and hardware business, died at Philadelphia. Thursday. He lived there for some time, and, with his brother, M. F. Dolphin, of this city, was interested in the coal trade. The remains of deceased have been brought here and the funeral will take place this prorning from the residence of Mr. Dolphin. at Wayne avenue and Green street,

MRS. MARY GILDAY, of Pittston, died Sat. urday at the home of her daughter, Mrs. Martin Early, of 723 Eynon street, with whom she had been visiting for several weeks. She is survive by the tellowing children: Mrs. Eary. Richard James and Mary, of Pittaton. The remains will
